"That during the fiscal year ending October 1, 1897, said county received through its county treasurer, from taxes lawfully levied and which were due the city of Wichita, together with interest and penalties thereon, the sum of one hundred and sixty-four thousand and seventy-nine and 38-100 dollars (\$164,079.38);

## IN CASE OF WAR

Regiment of Volunteers Called Kan-  
sas Cyclones.

The service of a southern Kansas regiment, to be known as "The Kansas Cyclones," have been tendered to the president from Belle Plaine in the event of war with Spain, which now seems inevitable, and the earnestness in Sumner and adjoining counties is progressing rapidly. Col. J. W. Forney, who served through the late rebellion, has been selected to command the regiment, subject to the approval of the proper authorities. Companies, squads and individuals possessing the required qualifications for service and who are willing to enlist in the event of hostilities, and desire to become a part of this organization will confer a favor by communicating with Col. Forney at Belle Plaine, Kansas. The Kansas Cyclones expect to be among the first called to duty if the worst comes to the worst.

banquet to be held the latter part of May. The officers of the association are as follows: Leroy Kramer, president; Paul Brown, first vice president; Garland Ferrell, second vice president; Anna Mason, third vice president; Sadie Caldwell, secretary, and J. Elmer Reese, treasurer. It is the intention of these officers to make this year's banquet the largest banquet that has ever been held under the auspices of the association. While these officers have secured lower rate per plate for the coming feast than has heretofore been obtained by the association they have done so without in the least lowering the quality of the spread. The great effort is being put forth on the entertainment which will be furnished. Music of the highest grade, speeches and toasts of the wittiest turn are to be secured, and many surprises for the amusement and entertainment of the guests are being planned. One of the greatest departures will be in the management of the banquet proper at 9:00 p. m. instead of 10:00 p. m., which will insure plenty of time for the enjoyment of the toasts and will give those desiring to return home from the banquet earlier in the evening an opportunity to do so.

## EAGLE ON MONDAY MORNING

Last Day of Peace to be Fully and  
Duly Recorded by This Paper.

The next midnight may and probably will end the last day of peace between this country and Spain. If peace is to continue, tomorrow morning will probably bring the news of the essential back-down of Spain.

Tomorrow morning the Eagle will issue, bringing to its readers the climax of the thrilling news of the last week, the departure of ministers, the spread of sails of our fleet, the defensive maneuvers of the Spanish navy, almost certain public riots in Havana; and tremendous popular demonstrations peculiar to the Latin Sundays of Spain during times of unrest; perhaps the first steps of Spanish revolution; if not that, then absolute certainty of a war declaration in Washington. Doubts, questions and indefiniteness will vanish and the trend of events for the week following will stand nakedly public.

The paper will be delivered to all regular subscribers as usual.

## What Was the Trouble?

Health Broken Down, Heart Troubles, Torpid  
Liver, Consumption, RheumatismWhatever it Was, Hood's Sarsaparilla Cured by Its Power as  
The One True Blood Purifier.

Discouraged people are numerous now—some because of lost business, others because of lost health. All may find fresh inspiration and valuable suggestions in the following:

"C. I. Hood & Co., Lowell, Mass.:  
"Gentlemen: For 12 years I have been a commercial traveler, and owing to the hardships of my life, long railroad jumps, all kinds of exposure, and sudden changes of climate, etc., my health gave way. Physicians did not help me and I was given up to die. My illness developed a complication of diseases.

I was without ambition or appetite. All strength had left me. One doctor said I had heart disease, another torpid liver, a third said it was lung trouble and another consumption, and so on. I have no doubt, symptoms of all these complaints and even that of rheumatism, judging from the stiffness and pain in my joints and legs at times, were manifest. I was unable to attend to business, was confined to my room and frequently lay in a comatose state for hours. I was so feeble, and so little encouragement was offered, that I began to wonder

Where I would be buried.

Finally, as a last effort to help myself, I decided to try Hood's Sarsaparilla. The

effects of a few doses of the medicine seemed almost magical. The depressed feeling left me, and when one bottle had been taken, I had regained an appetite, and strength was coming back. After finishing the third bottle I was able to go about my commercial duties. I continued to improve, and to satisfy my mind that I had fully regained health, I submitted myself to a doctor for examination. He pronounced me 'sound as a dollar.' Three months later, I passed a rigid examination for insurance. I have since been in the best of health, notwithstanding my travels, and I give

All the Credit to Hood's Sarsaparilla, as each season since I have taken several bottles. It keeps my blood in good circulation, gives me a keen appetite and leaves no room for that tired feeling which naturally finds easy prey among those of my calling in the summer months after an early spring hustle. I consider Hood's Sarsaparilla the means of saving my life, and I gladly speak in its favor." A. J. LITCH, home address, Case House, Saginaw, Michigan.

Sold by all druggists. Price \$1, six for \$5. Prepared only by C. I. Hood & Co., Lowell, Mass. The Best Spring Medicine.

## GOOD WEEK'S WORK

Stanley Club Organized at  
Belle Plaine.

Telegrams were received last night from Winfield, Anthony and Kingman giving the information that the Republican county conventions which were held yesterday to elect delegates to the state convention had instructed their delegates to use all honorable means to nominate W. E. Stanley for this city for governor. Twenty-six delegates for Mr. Stanley were chosen yesterday. These added to the delegations of Reno and Elk, which were chosen the first of the week, give a total of fifty delegates for the week. A good seven days' labor. The coming week promises to be even better. The fifty delegates together with the twenty-two from this county, makes seventy-two. There are 912 delegates to the state convention.

The dispatch from Kingman is as follows:

Kingman, Kan., April 2.

The Republican county convention held in this city today was organized by the election of W. W. Donaldson as chairman and J. J. Harlow as secretary. The following delegates to the state convention were elected: Morton Albaugh, W. T. Cannon, David Walter, J. L. Brower, Wm. Lindsey and W. F. Ritchey. They are all enthusiastically for W. E. Stanley for governor, and immediately after the adjournment of the convention met and unanimously decided to do all in their power to secure his nomination. The sentiment of the convention was practically a unit in his favor. The congressional delegates are T. A. Russell, W. W. Donaldson, C. C. Brown, J. H. Jacobs, R. H. Patton, S. W. Pattison. They were instructed for Chester I. Long without a dissenting vote. P. R. Gillett of this city was empowered to name the fourteen delegates to the judicial convention of this district. He selected W. M. Wallace, G. L. Hay, J. Warton, T. W. Hendry, J. H. McFarlane, O. P. Hawkins, John Bardwell, Mason Shane, L. P. Stephenson, W. T. Hamilton, B. A. Welsch, John McCall, J. N. Sager and A. B. Shadinger. They were also instructed to use all honorable means to secure Mr. Gillett's nomination. The convention was one of the most enthusiastic and harmonious ever held in the county. On the points at issue, the governorship, the congressman and the judgeship, there was a practical unanimity of sentiment among the delegates. As an indication of the drift of sentiment in this county three strong men, W. S. Hamilton, Dr. W. E. Buck and J. A. Mendenhall, who were active supporters of Bryan in 1896, were prominent delegates in the convention. O. H. Bentley of Wichita was present and he and others addressed the convention.

Belle Plaine, Kan., April 2, 1898.

A Stanley club has been formed in this city with a membership of 100. All are Stanley enthusiasts and will do everything in their power to secure his nomination.

Anthony, Kan., April 2.

The Republican county convention was largely attended today. The delegates were instructed for Hon. W. E. Stanley for governor and Hon. Chester I. Long for congress.

Winfield, Kan., April 2, 1898.

The Cowley county Republican convention was held here today. There was a general good feeling and all are confident of Republican success this fall. The delegates were not instructed for Mr. Stanley, but they are all for him.

Mrs. Della McKay and sister of Anthony are visiting the family of Judge McCann.

## The Biggest Objection

to most ready-to-wear clothes for men is: Although they fit when you buy 'em, they get unfitted afterwards.

Why? They are not made right.

Fancy linings, satin piped seams and gew-gaws don't add to or detract from right making.

The "stay fit" sort has the vitals—the insides—the part you can't see properly tailored. A few hand stitches here, a stay there, a bit of wadding at this point, a perfect seam at that, all help to do it.

We sell "stay fit" clothing. Dark Shepherd Plaid Cheviots for men \$10.
